Forecast For Scotland
Issued by Met Office Aberdeen
at 1600 on Saturday 15 May 2021

++ Valid for broadcast between 1800 and 0600

Headline:
Sunny spells and occasionally heavy showers Sunday. Northern Isles cloudier.

This Evening and Tonight:
Afternoon showers largely dying out, although a few may linger overnight across southern parts. Cloudier conditions with patchy rain across the Northern Isles, where haar possible, spreading into the far north of the mainland. Mainly light winds.

Sunday:
A cloudy start in north but brightening up though Northern Isles remaining misty. Scattered heavy showers breaking out by afternoon over inland areas with chance of thunder.

Outlook for Monday to Wednesday:
Bright with a few showers on Monday, heavy in east. Cloudy with rain or showers on Tuesday. Becoming brighter Wednesday with a few showers, but west coast drier and sunnier.
